## Rescheduling Games

The following is the criteria for rescheduling of games:

- Rain Out
- A school, city or religious function that affects the majority of a division and/or league and is not an extra curricular activity
- A youth recreational league continuing on in All Star play that represents El Segundo. The intent is not to accommodate club, travel or select teams.

In addition to the above mentioned, the executive board at its discretion by a majority vote may allow a game to be rescheduled for an extenuating circumstance not mentioned in the above items. Games will not be rescheduled because a manager or coach cannot attend the game.

The following is the process for rescheduling games:

Rescheduling a game is only used as a last resort and is not encouraged by the board. Any manager wishing to reschedule a game must notify the other manager. If the other manager is in agreement then the manager requesting the change must then bring the request to the President and U.I.C. If the President and U.I.C. feel the request falls within the guidelines set forth by the board, then they will allow the game to be rescheduled to a mutually agreeable time. If the opposing manager does not agree to the rescheduling of the game, then the request will be brought forth to the Executive Board for a decision. The Executive Board will then decide if the request is within the guidelines of rescheduling a game and make a decision.
