ESGS Snack Bar Policy
Spring 2023

El Segundo Girls Softball provides a fun, competitive and enriching opportunity for over 200 girls each year. A significant portion of each year's operating budget comes from our snack bar operations at the Rec Park Field during the spring season. In order to adequately staff the Snack Bar throughout the season, ESGS requires all families to work a maximum of 6 hours split between 2-3 shifts for each child registered.

Buyout Option:
There is an option to buy out your shifts. The cost is $200 per player to buyout and can be paid for during online registration. If buying out you must make the payment during registration..

Snack Bar Deposit:
Each player is required to have a Snack Bar deposit (excluding players who opted for buyout). A $250 check made payable to **ESGS** from each player. Please write the name of the child and the division in the memo section of the check. Checks can be turned in to the Manager/Team Parent on the first day of practice. The Snack Bar deposit check is not cashed at the time of submission. If, at the end of the season, a parent has complied with his/her Snack Bar obligation, the deposit check will be destroyed. *NOTE: Players are ineligible to practice nor play in games until their Snack Bar deposit has been received.*

Snack Bar Shifts:
Scheduling details will be provided prior to the start of season. If a parent/guardian fails to meet his/her obligations, the entire Snack Bar deposit amount of $250 will be forfeited and will be immediately cashed by the League. Meeting the full obligation means arriving on time and working the full shift(s) assigned, without interference (e.g. not bringing young children to the Snack Bar during a shift). A "no show" for your shift, or arriving more than 30 minutes late, will be considered grounds for forfeiting your deposit check. If there happens to be a rain out on your scheduled day, your shift will be subject to be rescheduled. Only parents or approved individuals by ESGS are allowed to fulfill their Snack Bar volunteer obligation.

When working a Snack Bar shift, parents must sign in and specify the player's name and team they are working for. This is critical so that your volunteer obligation will be fulfilled properly.

Please note, you can no longer arrange for a "sub" to take your snack bar shift.

Thank you for your cooperation and acknowledgment of this policy and your willingness to contribute to the success of El Segundo Girls Softball.

Sincerely,
ESGS Team Parent Coordinator 2022-2023
